

COMMISSION MOVEMENT

Will Be Asked For By a Bill
In The Next Legis-
lature.

Circulars were distributed on the streets yesterday calling for a Citizens Mass Meeting at the Court House at 7:30 o'clock last night for the purpose of discussing the advisability of adopting a commission form of government for the city of Hopkinsville. All those interested in a modern form of government for the city were urged to attend. As the Kentuckian went to press in advance of the date set for the meeting, a report cannot be given in this issue. Representative-elect John C. Duffy has committed himself to the commission form of government and will introduce a bill in the coming legislature providing for a vote on the question.

Little Doing.

But little is doing in Federal Court at Owensboro this week. Mrs. Latham's suit against Dr. D. A. Amoss, now of Vicksburg, Miss., and others, was continued.

Deaths Exceed Births.

Vital statistics for Hopkinsville, Palmyra and Concord precincts as shown by the records of Local Registrar Martin for the month of November show a total of 16 births and 27 deaths.

Births among the colored people were 10 against 6 for the whites. There were ten girls born and only 6 boys.

Of the deaths 17 were among the colored people and 10 among the whites.

The seemingly heavy mortality is due to the fact that the Western Hospital, where many deaths occur, is in this district. As usual tuberculosis led all other diseases with 5 deaths. One was from typhoid fever.

Aviator Killed.

Capt. Lurhington, of the British Naval flying corps, was killed at Kent Tuesday, when his machine collapsed.

McFarland-O'Daniel.

Something that was not on the good roads meeting program occurred at Fruit Hill Wednesday. Tuesday Mr. Richard McFarland, who is employed in the planing mill of the Forbes Mfg. Co., secured license and went to Fruit Hill where he and Miss Leonie O'Daniel were united in Marriage, Rev. T. T. Powell officiating. The ceremony took place at the home of the bride in the presence of relatives and friends. Mr. McFarland took his young wife to the home he had prepared for her on O'Neil Avenue.
